

## **Cathy Grant, Banquet & Wedding Coordinator**

**Cathy Grant**, Glenway's Banquet & Wedding Coordinator is pleased to have been a part of the Banquet & Catering experience at Glenway Country Club for over 16 years. During this time, Cathy has assisted many Brides & Grooms, Conveners and Tournament Organizers with the planning of each and every event with care and efficiency. In 1997, Cathy chose Glenway as the venue for her own wedding, which only adds to the value of her advice and recommendations.

Cathy recognizes that planning a wedding can be a stressful time in your life, but at Glenway, it doesn't have to be. One of the main reasons for this is Glenway's option of having both your ceremony and reception in our onsite garden. Almost 90% of our couples choose this option and are very happy with the result.

When planning a wedding, there are a lot of important decisions that have to be made quickly. Cathy will assist you in making all the right decisions; from your menu recommendations to linen colours, from the timing of your dinner to the timing of your late night service. With Cathy's experience, you will feel confident throughout the entire process.

If you require any advice, recommendation or assistance, our Catering Team is here to ensure that all your needs are taken care of.
