

OPEN HOUSE - Wednesday, September 9th at 9:30-10:30am

HITS N' GIGGLES

AGES 4 & 5

This program is designed to develop strong motor skills as well as increased hand-eye coordination. It's a great way to have some FUN and introduce a young child to the game of squash. The times are conveniently matched with the popular morning group power classes so you can drop your child off while you get your workout!

Monday 9:30am - 10:30am

Wednesday 9:30am - 10:30am

14 wks \$224 • **24 wks** \$360

(Price includes starter racquet & eye wear)
